FAREWELL RECEPTION.

GIVEN BY REV. AND MRS. W. R. DAVEN-
PORT AT METHODIST CHURCH
LAST EVENING.

A farewell reception was tendered
Rev. and Mrs. W. R. Davenport at the
Hedding Methodist church last evening,
where a large number of the church
members and others had gathered to
entertain their pastor for the last time.

The room was beautifully trimmed
and decorated. In the center and the
corners of the room tables were draped
with the American flag and on the
tables were potted plants. Rev. and
Mrs. Davenport stood in the
front part of the room where they re-
ceived their friends. Among the local
clergyman who were present were Rev.
J. R. Sherburne, Rev. H. W. R. Staf-
ford, Rev. Thomas Mitchell, Rev. M.
W. Fuller and Rev. Edie K. M. Jones.

After a short reception, all adjourned
to the auditorium where a musical pro-
gram was rendered. Before the enter-
tainment, Mr. Davenport made a few
remarks. He spoke briefly about the
people of Barre. He regarded them as
a stirring and ambitious set of people.
He was proud of them and the city.

The members of the church the speaker
said had always worked in harmony
with him during his five years in Barre.
He closed by saying that he would re-
member the people of Hedding M. E.
church and the people of the city of
Barre.

The entertainment of the evening was
solo by Miss Gertrude Wright, by a
vocal solo by Miss Ethel Trow, and
both were well rendered.

Miss Merrie Parker gave a reading;
Mrs. Laing, a vocal solo; Miss Ethel
Trow, a piano solo; violin solo, George
Grant; Miss Gladys Beckley, a vocal
solo; piano solo by Master Vaughn and
a piano duet by Misses White and
Clogh. The ushers were Misses Kate
Mott, Elizabeth Hanson, Gladys and
Bessie Cave.

Other Extra Sells like Hot Cakes

"THE EVENING ENTERPRISE" is not
yet a week old, yet during the first three
days of its existence the "EVENING EN-
TERPRISE" has issued three extra giving
full account of the Washington proceed-
ings. Last night the paper and sold like
hot cakes. This is an indication of the
manner in which the people of the city
are indorsing the efforts of this paper
to give the latest news from the seat of
government. If haste and diligent ef-
forts with we propose to be among the
newspapers of Vermont at the end of
the year. The Associated Press Service
was able to furnish us with a report of
the "riot in Congress" last night which
enabled us to issue the extra which sold
at a rapid rate. One of the most im-
portant occurrences of the present debate
over the matter, yet the "EVENING EN-
TERPRISE" was the only Barre paper
having a line on the event which the
people judging by the way they bought
the extra were anxious to read. If you
want the latest news buy the paper
which is connected with the efficient
Associated Press and not use the "multi-
tin board service."

DOINGS IN CLAN GORDON.

Clan Gordon is to make a big stride
in the number of their members the
first week in May when 19 new mem-
bers will be initiated. Their applica-
tions were voted upon at the meeting
Tuesday. This is the largest number
ever taken into the Clan in Barre at
one time. The Royal Clan has put up
as a prize a \$50 silk flag of the stars
and stripes to be given to the Clan
who brings in the largest number of
members from Jan. 1st. to July 1st.
Seven were initiated here Tuesday and
it is thought that Clan Gordon will stand
an excellent show for the prize.

The last applications were from the
following: T. G. Caswell, William
East, W. R. Milne, William Milne,
James Dickie, Peter Nevin, George
Ross, Alex. Ross, James Gilson, J. E.
Smith, George Booth, Peter Booth,
George Petrie, James Cannon, James S.
Back, William Will, James Downie,
William Ross.

Those who were invited last Tues-
day were: Charles Scott, John Paul,
James McAuley, James S. Milne, Geo.
Williamson and James Davidson.
There has been a new society of the la-
dies' Clan Gordon organized and they
are to elect officers Friday evening.
The bequest due to Mrs. Alexander
Cannon, mother of the late John
Cannon, was paid Tuesday.

BASE BALL.

As announced by the ENTERPRISE
Monday, there is to be a hot game of
base ball on the campus at the Semi-
nary Saturday afternoon between God-
dard and Essex Junction. This will be
the first game of the season and it is
hoped that there will be a good crowd
in attendance. It has not been decided
as to who will constitute the battery,
but Captain Ayer will catch. The Es-
sex nine plays Montpelier Seminary Fri-
day so there will be an excellent oppor-
tunity to compare the two Seminary
teams at the beginning of the season.
Coach Wilder is of the opinion that the
boys are putting up the work and that
they will fair to place themselves in the
front rank before the end of the season.
Let everybody turn out Saturday after-
noon and give the boys a lift.

SECOND EDITION.

5.00 P. M.

Senate Resolution May Pre-
vail in the House.

Vote Will Be Taken In The
House To-morrow.

WASHINGTON, Apr. 14.—Some of the
Republicans of the House are already
organizing a movement looking toward
acceptance of the Senate resolutions
when they pass the Senate. If the res-
olutions go to a conference committee,
concessions may be made and a delay
follow. The Senate resolutions being
vigorous they please many radicals bet-
ter than the House resolutions. The
House Republicans came back from the
Senate to-day jubilant over the prospect
that the Senate would be held in contin-
uous session until the vote is taken.
It is believed that the motion to accept
the Senate resolutions will prevail in
the House by an overwhelming majority.
In the Senate, Mr. Hoar followed Tur-
ner and said: "If in the providence
of God we are called upon to do a great
act of interventional justice, let us do it
in a spirit of justice, not of vengeance.
If we depart from rules of international
law we cannot blame other nations for
sympathizing with Spain."

WASHINGTON, Apr. 14.—The Senate
will not vote on Cuban resolution before
tomorrow night. A dozen Senators
still want to talk.

Reached an Agreement.

WASHINGTON, Apr. 14.—The repub-
lican members of the Ways and Means
committee have agreed upon the gen-
eral scheme of the legislature to raise
additional revenue to prosecute war if
it should come and are considering the
advantage of calling on democrats in a
few days to actually formulate meas-
ures to be presented.

Spanish Minister to Depart
From Washington.

WASHINGTON, Apr. 14. The Spanish
minister Polo Bernabe has made final
preparations to leave Washington when
Madrid instructs him to do so. French
ambassador will look after spanish
interests.

More Money for Spain.

MADRID, Apr. 14.—Newspapers here
regard war as inevitable. The Official
Gazette tomorrow will publish a decree
organizing a national subscription to in-
crease the strength of the navy.

Let's Talk It Over.

Miss Sarah Low was in Montpelier
this morning.

Miss Emma Lavillotte has commenced
work for Mrs. J. M. Bond.

Louis E. Dana, formerly employed
by the Metropolitan Life Insurance Co.
has accepted a position with Messer &
Burnham, the grocers.

The case of Crockett vs. Town of
Barre which has been pending in the
Orange County Court for almost year,
has been settled. The city paid Crockett
\$500 and he is to pay his own costs.

There was a rumor on the street this
noon to the effect that a Spanish flag
was flying on a certain stone shed. It
is true that a number of Spaniards are
employed there but the rumor was with-
out foundation.

The Way It Struck Her.

He referred in the casual way that is
characteristic of members of his profes-
sion to an operation at his hospital that
day in which a man's rib had been re-
moved. "And why did they do it," said
the sweet girl. "Are there not enough
women in the world as it is?"—New
York Sun.

Borrowing Trouble.

Ho—I suppose you would scream and
wake up everybody in the house if I
were to kiss you.
She—Why is it that some folks can't
help borrowing trouble?—Chicago

Some Spanish Official Blew Up Maine
SO THINKS LEE.

Believed Senators Will Not Yield.

Switzerland Will Not
Interfere.

BERNE, Apr. 14.—The suggestion
that the Bundesth should consider
whether it could mediate between
Spain and the United States was brought
up this morning and immediately re-
jected.

Demonstrations in Madrid.

MADRID, Apr. 14.—There was a big
revolutionary demonstration in Valen-
cia last night. A red flag was displayed
and the Marseillaise was sung. The po-
lice captured the flag and dispersed the
crowd.

Lee's Testimony

Says Maine was Blown up by
Spanish Officers.

WASHINGTON, Apr. 14.—The testi-
mony before the Senate Committee on
Foreign Affairs in regard to the relations
of the United States to Cuba were pub-
lished to-day. The principle thing is
Lee's testimony. Lee says Havana har-
bor was mined after the Maine disaster.
Up to that time he said there was no
reason to suppose anything of the kind.

He is satisfied that the explosion was
from the outside. He said he believed
it was blown up by some officer who
had charge of the wires in the arsenal.
It certainly was done well says Lee. He
did not think Blanco had any knowledge
of it as he was crying when Lee called
to inform him of the disaster. No elec-
tric lights went out. There was a good
deal of rejoicing among the Spanish
officers and a great deal of champagne
drank in celebration. A submarine
mine might easily have been placed
under the Maine after her arrival and
set off by contact. He said: "Gomez
has fought the war in the best way pos-
sible. His troops were scattered.
Armistice is absolutely no good. For
six months Havana has had no provi-
sions except what were brought from
the United States. If it was blockaded
it would surrender, in short, the popu-
lation of the island is 1,500,000, and
only 2,000 are Spaniards. The Cu-
banos are friendly to the insurgents.
It would not be safe for the Spanish
officers to go out with a flag of truce or
attempt to buy the insurgents, the latter
would kill them. Everyone in the city
is living from hand to mouth. The in-
surgents have planted small patches of
sweet potatoes and fruits.

Every attempt made for peace terms
with the insurgents has met with sig-
nal failure. Condition of the Spanish
soldier is very bad. Badly clothed,
badly fed, not well dressed or organ-
ized. Nobody ever saw Spanish soldiers
drill. I do not believe Spain has ap-
propriated anything for the sustenance
of the reconcentrados. They would not
get any of it if there was a truce. I
have no confidence in a settlement, and
do not think there is the slightest pos-
sibility of Spain conquering the insurgents
in any way. I said the same thing
to President Cleveland two years ago.
I never thought the insurgents had any
more than the skeleton of a government
movable capital. The insurgent army
numbers 32,000 the spanish army 55,000

Spain Defiant.

MADRID, Apr. 14.—A cabinet minis-
ter said this morning that should Presi-
dent McKinley notify Spain to evacuate
Cuba this government will immediately
emphatically refuse and it is prepared
to take the consequences.

Still Fighting in Cuba.

HAVANA, Apr. 14.—It is all quiet like
a summer day. In spite of the suspen-
sion of hostilities, it is officially
announced that several unimportant skir-
mishes have taken place in the provin-
ces of Santa Clara and Santiago de
Cuba.

Veterans Advise War.

CONCORD, Apr. 14.—The New Hamp-
shire Department of the Grand Army,
today adopted a resolution for immedi-
ate intervention commending the rep-
resentatives vote for the same yester-
day and offering their services to the
country when needed.

Bram Creates Sensation.

BOSTON, Apr. 14.—Thomas Bramcren-
ates quite a sensation on the stand today
by saying that he believed from certain
things he saw in Mrs. Nash's room that
she was assaulted before she was murder-
ed.

Nine Senators For Indepen-
dence.

WASHINGTON, Apr. 14.—Nine Repub-
lican Senators have agreed to vote for the
recognizing of the independence of the
present Cuban government. Conserva-
tives expect the House to stand firm to
its resolutions and if the Senate adopts
the Davis resolution, they believe the
Senate will have to yield.

Conservative Senators Urging
House Resolutions.

WASHINGTON, Apr. 14.—Conservative
Senators have decided to make a fight
for the House Cuban resolution and will
act in concert to that effect.

Senate Scene of War.

WASHINGTON, Apr. 14.—The Senate
was a scene of war elements to-day.
There is an immense crowd. Turner
began speech-making; criticized ad-
ministration for its vacillating policy as
irresolute, cowardly and pusillanimous.

Spanish Warships at
Cape Verde.

ST. VAUCCENT, Cape Verde Islands,
Apr. 14.—The Spanish armored cruiser
Christobal Colon and Mario Theresa have
arrived here. Spanish torpedo flotilla
still here.

Shooting Affray in Berlin
N. H.

BERLIN, N. H. Apr. 14.—Telephone
Gaynon proprietor of the Androsoggin
House was shot through the breast and
also assistant City Marshall Youngless
was shot in the head and foot this morn-
ing by John Picot a desperate and
drunken Canadian whom Gaynon refus-
ed to give any liquor. Both the injur-
ed men will recover.
